

Support Ardagh Community Trust

Become a volunteer

Volunteering with ACT includes:

- Helping out in the community to make a difference in the local area
- Fun
- A chance to make new friends
- A chance to gain Skills
- A chance to try something new
- A chance to contribute your skills and experience to support a local charity

Volunteering can be a great way to make new friends, get involved in your community and learn new skills. We have opportunities for you to get involved with our board of trustees, support our fundraising activities, gardening group, community activities programme and one-off events.

ACT runs regular volunteering sessions at the Ardagh and in the wider local area which support improved outcomes for the Ardagh and the Horfield Common area for the benefit of all who live and work here.

Current regular volunteering sessions include:

Maintenance	There are always lots of jobs to do which handy volunteers can help us with. If you have some time to spare and are happy to roll up your sleeves and get stuck in to a range of different jobs – we will be very happy to hear from you!

We also welcome volunteers who have specific skills that they can offer, and who are looking for experience to add to their CV's or would like to support their local community using them! Social Media, Photography, Fundraising, Marketing are just some of the skills we can make use of – if you have some time & would like to chat further about our opportunities for volunteers, please get in touch!
